Simmental / SimAngus / Angus / Shorthorn / Hereford

Welcome

We would like to thank everyone who has supported us over the last year. It is an exciting time in the beef business and we are more than happy to help our customers reach new heights with their breeding program. The most rewarding thing as seedstock producers is the success of our customers.

We would like to thank our customers that have bought bulls in past years. We hope to continue these relationships for years to come! We are proud of this set of bulls, we feel it is our strongest set from top to bottom. We are excited to add back in SimAngus & Angus bulls along with the Simmental, Shorthorn and Hereford offering. Call or text anytime, we would be pleased to help with your selection. We will be closing the sale out with a live auction, with the option of online bidding for the folks that can't join us in person.

Please plan to attend the Bull Sale on Saturday April 14th, lunch is from 12 noon to 1:00pm, with the auction at 1:00pm. We look forward to seeing and chatting with everyone!

Thanks, Reed & Jane
